Some Frequently-Asked Questions

What is a Primary User?

A primary user is able to create and modify a new MAPP and decides who will be in the user group for that MAPP

What is a Secondary User?

A secondary user is able to view and update any MAPP they have been invited to view

What is the MAPPstore?

The MAPPstore is where all existing MAPP decision sets are listed and available for use

Why would I want to create my own decisions?

If the MAPPstore does not have the decision set you need for your task then you can create new individual decisions as well as new decision sets that fit your task

Can I cancel my account at any time?

Yes. Your subscription can be cancelled at any time. There are no cancellation fees but partial refunds are not provided.
